Producteigenschappen

Producteigenschappen en voorwaarden geldig bij toepassing van volgende Print collecties:

ABET WOOD (p. 25)

Reconstituted veneer : omdat het oppervlak bestaat uit natuurlijk hout, kan de tonaliteit enigszins verschillen van plaat tot plaat.

Natural veneer : Aangezien het om een oppervlak op basis van natuurlijk houtfineer gaat, kunnen er zich kleur- en structuurverschillen tussen de panelen en/of binnen één paneel voordoen.

Blootstelling aan daglicht kan op grond van het fineer na verloop van tijd kleurverschillen geven. De toepassing van Abet Wood wordt uitsluitend aanbevolen voor "droge" ruimtes. Het luchtdicht afsluiten van het fineer op de zaagranden door middel van een vernis is een vereiste teneinde een onregelmatige oxidatie van het hout te vermijden en infiltratie van vocht te voorkomen.

DROPS (p. 35)

Alleen geschikt voor verticale toepassingen. Vanwege richtingsgevoeligheid van de platen, de panelen steeds in één richting toepassen. Kleurnuances in de structuur van de plaat kunnen zich voordoen. Ook komen kleurverschillen van plaat tot plaat voor.

FLUO (p. 17)

Uitsluitend verticaal toepassen. Voor de productie van deze decors wordt speciale "fluo-inkt" gebruikt. Onder invloed van blootstelling aan licht kan de kleursterkte na verloop van tijd sterk veranderen, en dit verschillend van decor tot decor. Voor meer informatie zie de technische productfiche.

HR-LAQ (p. 16)

Door de gebruikte technologie ontstaan er verschillen in tonaliteit in vergelijking met de kleuren van de collectie "COLOURS".

FULL COLOUR (p. 15)

Door de gebruikte technologie ontstaan er verschillen in tonaliteit in vergelijking met de kleuren van de collectie "COLOURS".

METALLI (p. 34)

Alleen geschikt voor verticale toepassingen. Vanwege richtingsgevoeligheid van de platen, de panelen steeds in één richting toepassen. Kleurverschillen van plaat tot plaat zijn mogelijk.

PATAGONIA (p. 27)

Alleen geschikt voor verticale toepassingen. Vanwege richtingsgevoeligheid van de platen, de panelen steeds in één richting toepassen.

POLARIS (p. 48)

Respecteer de richting van de panelen. De specifieke technologie kan tonaliteitsvariaties tussen verschillende batches veroorzaken.

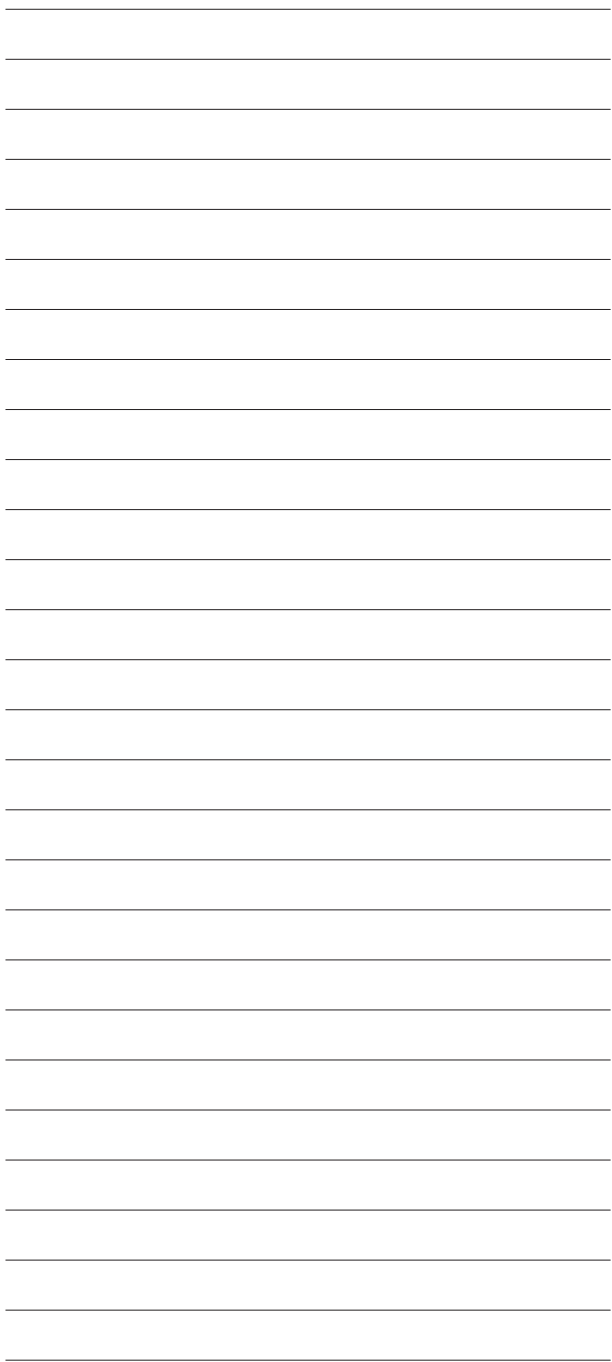

METAL EFFECT (p. 33 / met uitzondering van decor 1256 - 1260 - 1931 - 2811)

Alleen geschikt voor verticale toepassingen. Vanwege richtingsgevoeligheid van de platen, de panelen steeds in één richting toepassen.

WALKPRINT (p. 37)

Respecteer de richting van de panelen en verwerk alle panelen steeds in één richting.

We herinneren u eraan dat de nauwkeurigheid van de afgedrukte kleuren slechts zo goed is als het afdrukproces toelaat. We bezorgen u graag de specifieke stalen en literatuur.
